Position Description

Service Aquarists are responsible for installing and maintaining amazing aquarium exhibits in commercial and residential client locations. They are responsible for the overall health, functionality, and aesthetics of these exhibits. They are also responsible for maintaining a fun and positive relationship with clients.

Principal Duties & Responsibilities:

- Driving company vehicle to client locations
- Cleaning of aquarium exhibits
- General aquatic husbandry
- Life support system (LSS) maintenance
- Installation of LSS equipment/PVC plumbing
- Customer relations
- Being on a rotating emergency call schedule
- Assisting with in-house husbandry as needed

Required Skills

Performing these tasks requires excellent time management, attention to detail, problem solving ability, and interpersonal skills. The Service Aquarist must be able to function in a fast-paced environment with a malleable schedule. Must also have a valid driver's license and ability to lift 50lbs. Experience with aquariums required, degree in associated field preferred.

Pay & Benefits

This is a full-time position with 40hr/week minimum guaranteed. Pay starts at \$18/hr with salary range reaching \$35,000 - \$50,000 within 12-18 months based on experience and performance. Profit sharing, retirement, health & dental, paid time off (PTO), ping pong, fitness center, foosball & a cool team!

If intrigued, please send cover letter and resume to Careers@somethingfishyinc.com **the subject line should be completed exactly as follows: Last Name, First Name – Position Example: Smith, John – Receptionist**

This position does not state or imply that the above are the only duties and responsibilities assigned to this position. Employees holding this position will be required to perform any other job-related duties requested by management.
